Passed March 16th, A.D. 1877.

WHEREAS it is necessary and expedient to make provisions for restraining and regulating the running at large certain description of animals and to provide for the impounding the same, and for causing them to be sold in case they are not claimed and redeemed within a reasonable time; or in case of damages, fines and expense not being paid, and for determining the compensation to be allowed for services rendered in carrying out the provisions of this By-law with respect to animals impounded, or distrained and detained in the possession of the distrainer, and for the guidance of Poundkeepers, Fenceviewers and other resident persons detaining animals trespassing contrary to the provisions hereinafter provided, and for fixing and determining the height and description of a lawful fence, and for repealing certain By-laws of the Township of Raleigh.

Be it therefore enacted by the Municipal Council of the Corporation of the Township of Raleigh, under and by virtue of an Act of the Province of Ontario respecting Municipal Institutions:

1st. That the following description of animals shall not be allowed to run at large in the Township of Raleigh, viz: Horses, mares, colts, fillies, mules, asses, and swine, and all four-footed animals known to be breachy or to leap over, throw down, or break through a lawful fence; and all bulls over nine months old, rams over three months old, whether bona fide owned in the Township of Raleigh or not; provided that all cattle and sheep not owned by residents of Raleigh, or who rent or work land therein, shall not be allowed to run at large in said Township of Raleigh.

2nd. The owner or occupant of any land shall be responsible for any damage or damages caused by any animal or animals under his charge and keeping as though such were his own property; and the owner of any animal not permitted to run at large by this By-law shall be liable for any damage done by such animal, although the fence enclosing the same was not of the height required by the third clause of this By-law.

3rd. That all rail and other fences within the Township of Raleigh which are four feet six inches high, posted or locked, staked and ridged, or locked at the corners, the distance between each of the four lower rails not more than four inches apart; and that any perpendicular palisade fence, the spaces between the bars of which are not more than four inches at the distance of two feet from the ground, shall be taken and deemed a lawful fence. Provided that every such fence, which shall be four feet six inches in height, shall be held to be a lawful fence against the breach of horses, mules, colts, fillies, and neat cattle, notwithstanding anything relating to the space between the rails, boards, palisades, or pickets to the contrary.

4th. All Poundkeepers appointed by the Council of this Corporation in each of the respective Rural Road Divisions shall impound any horse, bull, ox, cow, sheep, pig, goat, or other cattle, distrained for unlawfully running at large, or for trespassing and doing damage, delivered to him for that purpose, by any person who has distrained the same, which person shall at the time, or within 24 hours thereafter, deliver to the Poundkeeper duplicate statements in writing of his demands against the owner for damages (if any) not exceeding twenty dollars done by such animal or animals, exclusive of the Poundage fees; and shall also give

his written agreement, with a surety if required by the Poundkeepers, in the form following, or in words to the same effect: "I (or we, as the case may be) do hereby agree that I (or we) will pay to the owner of the (describing the animal), by me (A. B.) this day impounded, all costs to which the said owner may be put in case the distress by me, the said A. B. proves to be illegal; (stating the reason why the animal was distrained.)" Notices of the impounding and sale of all animals shall be given by the Poundkeeper within forty-eight hours after impounding; but no pig or sheep shall be sold till after four clear days, nor any horse or other cattle till after ten clear days from the time of impounding the same. Providing that the animal or animals are of the value of \$10 or over, he shall also give notice of the sale thereof in one of the weekly papers printed in Chatham. Notices may be written or printed, and shall be affixed and continued for the time specified in this clause, and shall specify the time and place at which the animal or animals shall be publicly sold, if not sooner replevied or redeemed by the owner or some one on his behalf, paying the penalty imposed by law (if any), the amount of injury (if any), claimed or decided to have been committed by any animal or animals to the property of the person who distrained, together with the lawful fees and charges of the Poundkeeper, which shall be according to the Schedule annexed to this By-law.

5th. Every Poundkeeper, and every person who impounds, confines, or causes to be impounded or confined, any animal or animals in any common pound, or in any open or enclosed pound, or in any enclosed place, shall daily furnish each animal with good and sufficient food, water and shelter, during the whole time such animal continues impounded or confined, under a penalty of one dollar for each twenty-four hours he shall neglect or refuse to so feed and shelter the same.

6th. The value or allowance of fees and damages as aforesaid, may be recovered with costs, by summary proceeding, before any Justice of the Peace within whose jurisdiction the animal was impounded, in like manner as fines, penalties and forfeitures for the breach of any By-law of the Municipality may by law be recovered and enforced by a single Justice of the Peace; and the Justice shall ascertain and determine the amount of such value and allowance, when not otherwise fixed by law, adhering as far as practicable to the tariff of the Poundkeeper's fees and charges that are annexed to this By-law.

7th. If the owner within forty-eight hours after the delivery of such statements, as provided in the fourth clause of this By-law, dispute the amount of damage so claimed, the amount shall be decided by the majority of three Fenceviewers of the Municipality—one to be named by the owner of the animal, and one by the person distraining and claiming damages, and the third by the Poundkeeper.

8th. Such Fenceviewers, or any two of them, shall, within six hours after notice of their appointment, view the ground upon which the animal or animals were found doing damage, and shall appraise the damage committed, and within twenty-four hours thereafter deliver to the Poundkeeper a written statement, signed by at least two of them, of their appraisal and of their lawful fees and charges; Provided in all cases the fence shall be lawful against animals which are free-commoners; and if the Fenceviewers find that the fence is not lawful, they shall so award, and the person impounding the animal or animals shall pay the Poundkeeper all the lawful fees and charges.

9th. Any Fenceviewer neglecting his duty as arbitrator as aforesaid, shall incur a penalty of two dollars, to be recovered by summary proceedings before any Justice of the Peace, upon the complaint of the Poundkeeper or party aggrieved.

10th. In case an animal be not redeemed, the Poundkeeper shall, before any sale takes place, go before some Justice of the Peace and make an affidavit that he has put up and given all the notices required by this By-law, which shall be publicly read at the time of sale; and all sums over and above the lawful fees and charges, if not called for by the owner within one month, shall be paid over to the Treasurer of the Township.

11th. The owner of any geese or other poultry who allows or suffers the same to trespass on his neighbors' premises, after due notice in writing has been served upon him that his geese or other poultry have been trespassing and doing damage, the person whose premises and crops have been damaged shall make his complaint to a Justice of the Peace, who shall have power to try and summarily hear the dispute, and fine and award damages and costs as to him may seem just, not exceeding \$20.

17th. If the animal or any number of animals taken up at the same time be of the value of ten dollars or more, the distrainer shall cause a copy of the notice to be published in the Weekly Chatham BANNER or PLANET newspaper, and to be continued therein once a week for three successive weeks. If the animal is a goat or sheep, the notices for the sale shall not be given for one month; and if the animal is an ox, cow, or other cattle, the notices shall not be given for two months after the animal is taken up; which shall be given for three clear days, in at least three public places in the Township; and if such animal or animals so distrained, at the expiration of three days be not redeemed, he shall get one of the Poundkeepers to sell the same, who shall allow all lawful fees and charges, and retain the balance, if any, to be applied according to law.

18th. When not otherwise provided, every pecuniary penalty recovered before any Justice of the Peace under this By-law shall be paid and be distributed in the following manner:—One moiety to the Treasurer of this Corporation for the use of the Municipality, and the other moiety thereof, with the full costs, to the person who informed and prosecuted for the same, or to such other person as to the Justice may seem proper.

NO. 310—A BY-LAW

To provide for draining parts of the Township of Raleigh, by the repairing of the
Goulet Drain, and for borrowing on the credit of the Municipality the sum of
\$506 for completing the same.

PASSED 10th September, 1877.

WHEREAS a majority in number of the owners as shown by the last revised
Assessment roll of the said Township of Raleigh, of the property herein-
after set forth to be benefitted by the repairing of the said Goulet Drain, have
petitioned the Council of the said Township of Raleigh, praying that the catch-
water portion of the Goulet Drain may be repaired in accordance with the original
plan for constructing the said Drain, and that the following lots of land may be
assessed for the repairing of the same, viz: Lots Nos. S W parts of 151, 152,
153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163 and 164 on Talbot Road; also
Lots Nos. 3, 4, 5, 6, 7 and 8, in the 14th Concession, and the road lying in the
rear of the Talbot Road Lots.

And whereas thereupon the said Council procured an examination to be made
by William G. McGeorge, P. L. S., being a person competent for such purpose,
of the said locality proposed to be drained by the repairing of said Drain, and
has also procured plans and estimates of the work to be made by the said Wm.
G. McGeorge, and an assessment to be made by him of the real property to be
benefitted by the repairing of said Drain, stating as nearly as he can, the propor-
tion of benefit which in his opinion will be derived in consequence of such repairs
being made, by every Road and Lot or portion of Lot; the said assessment so
made and the report of the said Wm. G. McGeorge in respect thereof, and of the
said Drainage, being as follows:—Commencing on the Southwest half of Lot No.
151, of the Talbot Road Lots, and runs Southwesterly to about the middle of Lot
numbered 163, and thence runs Southeasterly to Lake Erie. This portion of the
Drain having been improved last year, the estimated cost of the Drain to be
improved is \$791.90.

The Drain to be straitened as much as possible, and to be maintained at the
costs of the lands and roads herein assessed—said lands and roads paying in the
same relative proportion as the work herein reported on.

And whereas the said Council are of opinion that the Drainage of the locality

and the works connected therewith, be made and constructed in accordance
therewith.

two years from the date thereof, with interest at the rate of five per cent. per
annum, that is to say: on the first day of November in each year, such Debentures
to be payable at the Canadian Bank of Commerce, in the Town of Chatham, and
to have attached to them Coupons for the payment of Interest; said Debentures
to be dated on the 1st day of November, 1877.

3rd. That for the purpose of paying the sum of \$759.00, being the amount
